## Sharing Community and Collaboration Review and Prep

Friday 12/02/2016 9:00AM - 03:00PM

<u>Description:</u> review self-generated projects in which you will acknowledge yourself in a community. Using strategies from class or partnerships from your communities, you will briefly share your project that follows the direction of the peer generated "Community" and "Collaboration" rubric.

## **Understanding Goals:**

- How can looking deeply through creativity and dialogue with others help to refine our understanding about Community?
- How can I use a peer-generated rubric to direct my collaborative community work?
- How can written proposals be inspiration for our actions, and model ideal learning outcomes?

#### Aims:

- A) Refine individual project work in process and documentation
- B) Solidify ideas about place in community
- C) Practice Mindfulness
